Your HORSE'S HEALTH With HORSE SUPPLEMENT 35 (HS-35)

Balanced nutrition is critical for every stage of a horse's life. Overall health, quality of life and performance are determined by a horse's system being in balance. HS-35 is a complete, balanced supplement. It has been reviewed and approved by many nutritionists and field tested for 10 years. It was developed by horse people for horse people to make your horse look and feel its best without the inconvenience and high cost of feeding several supplements.

FOR:

- **Superior balanced vitamins & minerals**
- **Superior palatability**
- **Superior quality vitamins & minerals**
- **Superior nutrient availability**
- **Superior ease & convenience of feeding**

HS-35 contains 35 Vitamins and Minerals, including ALL 10 Essential Amino Acids, in a Complete, Balanced Formula

**HS-35...
It's just plain Superior
in every way!**
